

Disaster First Aid Training

It is extremely important to be able to take care of yourself and others after a disaster. This 8-hour class includes a certified First Aid/CPR course. In addition, you will learn techniques dealing with multiple injuries resulting from a major disaster where 9-1-1 is overwhelmed and unavailable. This includes:

- Triage & prioritizing injuries
- Lifting & carrying techniques
- Treating broken bones
- Safety practices
- Practice using items that can be found around your home!

Class dates:

Saturday, February 9th, 2008

or

Saturday, April 12, 2008

or

Saturday, June 7, 2008

Time: 8:30am-5pm

(8 hour training plus 1/2 hour lunch)

Location:

Warren G. Magnuson Park

7400 Sand Point Way NE

(The old naval station)

Learn what to do especially when 9-1-1 is overwhelmed and unavailable during disasters.

Instructor: Tony Bennett, a veteran Seattle firefighter
